

Green Coalition

A non-profit association of groups and individuals with a mandate to:

promote the conservation, protection and restoration of the environment and to promote the wise use of green and blue spaces

In action in the Montreal Region:

- protecting the last green spaces
- advocating sensitive land-use to reduce biodiversity loss and combat climate change
- preventing road construction through ecosystems and nature-parks
- boosting Kyoto-conscious public transit strategies
- encouraging alternatives to pesticides use
- promoting responsible waste reduction and management

Green Coalition

Proposes a new National Park
The Montreal Archipelago
Ecological Park:

- to create a vast conservation area – here, where people live
- to protect a mosaic of green spaces, forests and floodplains, wetlands, natural corridors and islands – linked together by the great rivers that surround our Metropolitan Archipelago

Green Coalition
